EPSO/9000L - EN

Subject: EPSO/TA/IT/06 - Call for expression of interest to constitute a database of candidates to be recruited as temporary agents carrying out tasks in the field of information technology within the European Institutions.

Re: Mladen Milev
Candidate Nr: **549601**

Dear candidate,

EPSO, for the above-mentioned Call has evaluated the applications received by EPSO on the basis of the competence profiles, the qualifications, the eligibility criteria and the general conditions as set out in the text of the Call itself.

I am pleased to inform you that your application is valid.

Your name will be placed in the final EPSO database of eligible candidates. Access to this database will be given to the European Institutions who will select and invite for an interview candidates who best fit their requirements. Please note that at this occasion candidates will be asked to provide all supporting documents (diplomas, certificates and other relevant documents proving their work experience and corresponding to the information entered on the application form). I should point out, however, that it could be several weeks or months before you are contacted.

The final database of candidates shall be valid for up to three years.

Yours sincerely,

Alan M. Piotrowski
